the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 1999).

There is a growing awareness of the need to address the needs of people with mental health problems in the community. The Department of Health (1999) has set out a vision for the future of mental health services, which includes a focus on preventing mental health problems and promoting recovery.

RIVER FOREST HIGH SCHOOL

1958

1983

*Anniversary*

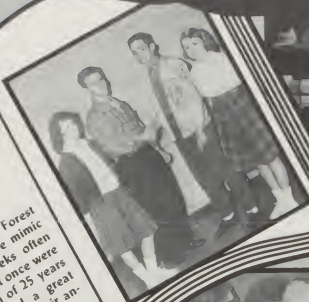

Early in 1956 the Hobart City Schools notified the township trustee that there was not enough room in Hobart High School to house the freshmen class of the ensuing year. After investigating several possibilities for housing the upcoming 9th grade class, the township decided that the most feasible alternative would be to place the freshmen class in the Henry S. Evans school and to start a holding company for the purpose of building a "proper high school." In the summer of 1956 Hobart Township Building Corporation was formed and plans for the new building were started. In June the building corporation proudly set the cornerstone. Two months later 3,000 township residents came to look over the new school during its open house ceremony and on September 24, 1958 during a formal dedication, River Forest was born.

"The school had progressed from a dream into a realization of one of the finest school plants around." The project, an accomplishment of a unified effort of all the people in Hobart Township, was the outcome of "a community that wanted the best for its youngsters and went out and got it." Twenty-five years have passed since that dream came true. But as always, with time came change. The building has grown ... the curriculum has expanded ... tens of thousands of students have come and gone, yet the underlying idea which fostered the institution itself has been steadfast — a unified effort to provide the best for the youth of Hobart Township.

This commemorative edition of the 1983 INGOT attempts to recapture a portion of the past and to highlight the events of this special year.

# Have Times Really Changed That Much?

The 'fifties' welcomed River Forest in with style, a style that we mimic today. Our 'dress-up' weeks often reflect those fashions that once were so popular. Over a span of 25 years styles may have changed a great deal, but the students and their antics have remained the same.

Opposite page, bottom left: Lee Ann Petroff, Lori Alderson, and Charlene Morrison hurry out of the Ingot Room. Top right: Tammy Mitchell sees who's calling the school now. Middle: Gloria Shuler wears the 'latest' during 'Crazy Hat Day.' Bottom: Jeff Vernon tries to show that the 'wet look' is in. This page, top left: Rodger Eli models his 'stylish' neck brace. Middle: Bill Sult approves Dave Kallok's new headgear. Bottom: Mike Uhles, Scott Miranda, and Bill Handley are stopped midway down the stairs. Above: Richard Stover and Becky Cook make a perfect 'fifties' couple.

# Seniors And Juniors, A Cut Above The Rest

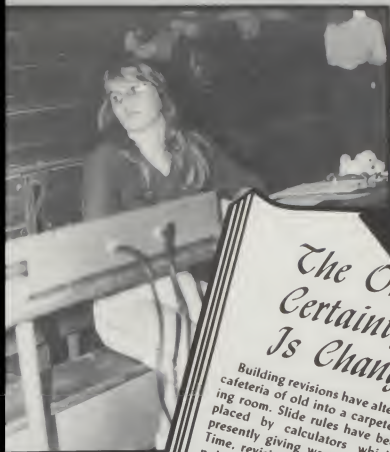

*This page, above: One of our Ingot 'gridders' appears to dance cheek-to-cheek with an opponent. Top right: Mike Kitchen and Earl Snellgrove work on the squat rack. Middle: Jill Haxton watches over Erik Riise. Right: Ken Fields, Joe Borja, and Ricky Vallejo display their muscles in wood shop. Opposite page, top left: Marie Soderquist records stats. Top right: Greg Viator is exhausted after a long 3.1 mile run. Bottom left: Andrea Fields and Robin Dotlich joke around before a game. Bottom right: Dan Wilson, Jack Burton and Clint Rose compare notes in science class.*

## *The Only Certainty Is Change*

Building revisions have altered the cafeteria of old into a carpeted dining room. Slide rules have been replaced by calculators which are presently giving way to computers. Time, revision, and advanced technology now offer students a greater opportunity for learning than ever before.

# *Freshmen And Sophomores Stick Together*

## Just One Big Happy Family

Through the years, it has always been the unpleasant teacher-student relationships that get publicized first. The aspect that so often goes unseen is that teachers are human, too. Sometimes it's difficult to believe, but occasionally, we candidly catch them with their guard down.

*Opposite page, top left: Mr. Newton stands guard over Elizabeth Hinchley and Ann Pavlinac. Top right: Mr. Bromberg enjoys his usual cup of coffee during a break in parent-teacher conferences. Bottom right: Mr. Tippett dons his leprechaun suit for one of the art classes. This page, top: Mr. Grenert shares a cozy moment with one of his 'favorites.' Left: Miss Watkins seems stunned as she walks out the door. Above: Mr. Lebo waves happily while Mr. Hilla just looks on.*

## *Senior Poem*

*It seems like only yesterday we were young and so naive,  
we wanted nothing but enjoyment.  
But now we must look ahead and we see the world waiting for us —  
to capture us and sweep us on our way.  
We will always remember the times we shared,  
though we all will go our separate ways.  
We pray life may be good to us,  
and that we may be good to life.*

10 Year Career Ends With The Class Of '83

## Robert Marszalek Leaves Administration

The year 1983 will not only be remembered as the silver anniversary of the high school but also as the year Mr. Robert Marszalek ended a 10 year reign in administration. Principal Marszalek began his acquaintance with Hobart Township Schools when he entered 1st grade at Evans Elementary. Mr. Marszalek started teaching at River Forest in 1962 and became principal in 1975, the year his reign of positive "politicking" for River Forest, as he once described it, began. Mr. Marszalek's immediate plans are to return to the classroom and teach, just as he started at this school some 20 years ago. The community, students, and teachers all mean a lot to me, said Mr. Marszalek. "When you talk about the school colors, gold and cardinal," said Mr. Marszalek, "they just seem to be in my blood."

## Here We Come A' Wassailing

An air of both merriment and solemnness was felt as Mr. Brown and the choirs presented their 12th annual Wassail. Entertainment for the guests included banner waving and a dance using masks made by students from Italy. A special highlight was a juggling act performed by senior Glenda Reed. The menu featured Roast Eye Round Provencale, Pomme de Terre Supreme, and Broccoli Normandy. Jeannette Isabella was portrayed by Nancy Hawkins; Saint Lucia was portrayed by Tracie Manning.

Alumni made their second appearance at the Wassail. Their ensemble included Barbara

Meade, Amanda Tulley, Pam Tulley, Dale Dougherty, John Riggs, and Steve Rosenbaum.

# The Wedding Bells Are Ringing Again

The 4th annual Mock Wedding was held on Jan. 19. Charlene Morrison and Joe Broja were married along with Jacqueline Drury and Rodger Eli. Others in the wedding were Lydia Bristol, Becky Cook, Lee Ann Petroff, Bob Dailley, Karen Botton, Karla Springman, Patty Pfautz, Paul Olivarri, Chuck Hall, and Jim Funes. # Couples Offered 'Best Of Times'

As couples hoped to have "The Best of Times" at this year's turnabout, they were greeted by a hall of red-white balloons framing the entrance. Dance favors included pieces of paper with couples' names glittered upon them. For refreshments, couples were treated to cookies, punch, and mints.

# Prom, A Trip To The Orient

Offering couples a trip to the East, this year's prom made good use of its theme, 'Oriental Fantasy.' A large paper dragon and various other Eastern decorations adorned the walls of Assumption Hall, and couples were even treated with fortune cookies at their tables. Prom favors for the students were two necklaces — one with a ring, the other with a key. Duchess provided music and Waldorf Studios took prom portraits. Refreshments included sandwiches, cookies, assorted candies, and a tangy citrus drink served from an elegant table fountain.

*... As The Last Dying Embers Wrought  
Their Ghosts Upon The Floor ...*

Although the camping trip was almost cancelled the day before departure because of an inclement weather forecast, the Honor Society members decided to tough it out and departed on April 16 for their weekend excursion.

During the trip, the campers participated in numerous nature hikes and cookouts, and even capped off the day with 'ghost stories around the campfire.'

The brave members were B. Black, L. Waluszko, T. Leitch, B. Garza, J. Case, G. Kuechenberg, R. Cheek, C. Ramos, V. Baker, E. Mendez, S. Reed, and chaperones Mr. Hontz, Mr. Muir, and Mr. Grenert.

# N.H.S. Zoo Invades R.F.

Pg. 133 top right: Regina Narkiewicz and Randy Sink smooch with their newly acquired beaks. Top left: Mr. Willing admires Karen Bottom's donkey costume. Bottom: Mr. Grenert poses with Paulette Baron and Steve Ast. Pg. 132 top right: Beth Black adds the finishing touches. Middle right: The newly inducted members listen attentively to what Mr. Marszalek has to say. Right: The old senior members are brought together for a final snapshot. Above: Blanca Garza lights a candle standing for service.

Thirteen inductees suffered through a day of humiliation that was quite un"bear"able. On March 15, the would-be members were dressed as different animals, creating R.F.'s Honor Society Zoo. The N.H.S. Zoo included animals ranging from ducks to lions to donkeys. Eight days later the "zoo members," properly attired, were officially inducted into the National Honor Society.

The new inductees are: seniors; Steve Ast, Paulette Baron, Karen Bottom, Ricky Cheek, Brenda Jeffers, Karla Springman, Kim Williams, junior Cathy Baughman, sophomores; Vicky Baker, John Hoskins, Regina Narkiewicz, Randy Sink, and Ramon Uribe.

# Exit Antiquity: Enter Technology

This was the year that computers made their first major impact at River Forest. With the addition of portable APPLE computers to the stationary PET's and CBM's, many students were able to acquire hands-on experience and increase their computer knowledge past the realms of the 'video game.' This page, left: Karen Conway and Robert Johnston plan a program on the PET computer. Bottom left: Mr. Gibbons and Donna Dziubla watch as Laura Waluszko tires out a computer game. Opposite page, top right: Paulette Baron makes a new friend, whether or not a program will work. Bottom: Theresa George and Jeremy Case peer over the top of one of the many computers on display during Parent-Teacher Conference Night.

They sing to us the same old songs.  
They say they want us to right our wrongs.

Don't they know we're trying hard  
To keep our records from being scarred?

Don't they know we're insecure?  
Can't they see we're immature?

It does no good to get in a huff ...  
Like they say, "we're not old enough!"

# Jr. High Talent Show

The Jr. High talent show held April 25 in the Jr. High gym, had a variety of performances. The audience was entertained with acts ranging from clowns to country singers to dancers. Clockwise from top: P.J. Wiggins does a juggling act. David Wallace sings his country music. Julyssa Berrios gets punchy during her act. Andrea Fields does a dance routine. Norma Schumacher and Deanne Dougherty sing for the crowd. Rick Vallejo, a member of the band, contributes to the talent show. Melissa Carter demonstrates how to put on makeup. Jr. High students watch the talent show intently.

## *Just A Note*

This silver anniversary edition of the 1983 Ingot will always remain a special production for me. The times that were shared, the friendships made, the emotions felt, are all part of a precious memory ... a very cherished time.

To Mr. Hontz I extend a heartfelt thank you for offering not only his assistance but also his pocketbook. To Melanie, Theresa, Patty, and Norma I give my gratitude for both understanding and accepting my biasness. To Greg I offer my appreciation for being able to depend on his darkroom expertise ... and finally to my seniors, Beth, Blanca, Treva, and Laura I offer a most sincere thank you. I'll miss your work, your laughter, and your caring, but more than anything else, I'll miss your presence.

*Sincerely,*

*Mr. Muir*

*P.S. It really was "AXCELLENT".*

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million (1990–1999) and is projected to increase by a further 1.5 million by 2010 (Office of National Statistics 2000).

There is a growing awareness of the need to develop strategies to meet the needs of the ageing population. The Department of Health (2000) has identified the need to develop a new paradigm of care for the ageing population, one that is based on the concept of 'active ageing' and 'active living'.

Active ageing is defined as the process of optimising opportunities for health, participation and security in old age. Active living is defined as the process of creating the conditions for active ageing (Department of Health 2000).

The Department of Health (2000) has identified a number of key areas for action in order to achieve these goals. These include: (1) promoting healthy living; (2) promoting participation in society; and (3) promoting security in old age.

The Department of Health (2000) has also identified a number of key areas for action in order to achieve these goals. These include: (1) promoting healthy living; (2) promoting participation in society; and (3) promoting security in old age.
